

Dream for Our Children - Aug 2026

快樂童年 眾幸福
Happy childhoods uplift us all

Dear Supporters,

The past two months have been productive and rewarding for HKSPC, our children, and our partners.

This summer, we celebrated as 356 HKSPC nursery students graduated, ready to take their next steps into primary school. We also hosted over 130 industry partners at our annual Child Safeguarding Forum, where experts shared positive ways to protect and support child well-being.

Thanks to a kind sponsorship from Sino Group, children in our care enjoyed a fun, relaxing day together at a special holiday movie screening.

In this issue, we also share a helpful article that looks at why one-way commands often fall short, and how a more understanding approach can better support our little ones.

As HKSPC transitions from a Century of Service to a Century of Leadership in Early Childhood Care and Holistic Child Development, we warmly welcome partners and donors to join us in creating happier childhoods. Thank you for your continued support!
